The image is a screenshot of a web browser displaying the InteractivePrint.Com Demo Site. The browser's address bar shows the URL "http://www.interactiveprint.com". The page features a dark header with the "InteractivePrint.Com" logo in a stylized, metallic font. Below the logo is a navigation menu with links: "about us", "clients", "feedback", "products & services", and "member login". The main content area is titled "Welcome to the InteractivePrint.Com Demo Site". It contains two paragraphs of text describing the company's services. Below the text is a login section with the prompt "To enter the demo site, please enter the following". It includes labels for "User Name:" and "Password:" with the default values "guest" and "demo" respectively. There are input fields for the user name and password, and a "Submit" button. At the bottom of the page, there is a footer with copyright information and contact details. The browser's status bar at the very bottom indicates "Document Done".

Welcome to the InteractivePrint.Com Demo Site

InteractivePrint.Com creates custom print procurement catalogs for corporate customers. Catalogs are custom designed to suit the specific needs of each client and to assure strict compliance to corporate standards. Each catalog is password protected at the company or business unit level, establishing a secure environment for every transaction

InteractivePrint.com can arrange to manufacture any catalog item through our network of affiliated printers

To enter the demo site, please enter the following

User Name: *guest*
Password: *demo*

User Name: Password:

If you require any help with this site, or if you would like more information, please contact InteractivePrint.Com at (781) 939-9990 or email us at info@interactiveprint.com
